

LECTURE 29

MATPLOTLIB II

MCS 275 Spring 2021

Emily Dumas

LECTURE 29: MATPLOTLIB II

Course bulletins:

- **Project 3** due 6:00pm CDT today.
- Next big topic is **SQL databases**

PLAN

- More demonstration of plotting with matplotlib
- Preview next topic (databases)

GALLERY

The matplotlib home page has a nice [gallery of examples with source code](#). It can be especially helpful if you know what you want something to look like, but don't know what it is called.
